

**SALES MANAGEMENT  
POSITIONS WITH CARON COMPACTOR CO.  
EFFECTIVE AUGUST 1, 2016**

**Mark Stapp - Western Region Sales  
Manager**

Mark joined CARON in October of 1995 after 6 years as the Heavy Equipment Maintenance Manager for Waste Management, Inc. at their Bradley Landfill site in Southern California. Mark's first position with CARON was as a Product Support Representative and shortly thereafter was promoted to Sales Representative. Since 2002 he has been in Sales Management and also involved with product design and development. Mark has extensive knowledge of CARON products and will be responsible for sales and product support in all U.S. states west of the Mississippi River and the provinces of Canada from British Columbia to Manitoba.

**Wayne Martin - Eastern Region Sales  
Manager**

Please join us in welcoming Wayne Martin to the CARON COMPACTOR CO. team. He joins us from Ransome CAT (dealer in Eastern, PA, South New Jersey and parts of Delaware) after 28 years of seniority. Beginning in 1988, Wayne joined Giles & Ransome, Inc. as a Product Support Salesman and in 1991 was promoted to Construction Equipment Salesman. Then in 2005 he became the Building Construction Product Business Manager. Since 2012 he has been the Industrial, Waste and Governmental Sales Manager. For CARON he will be responsible for sales and product support in all states east of the Mississippi River and the provinces of Canada from Ontario East to P.E.I. and Nova Scotia.
